VITA SANA FREGOLA SARDA

Fregola pasta is a traditional Sardinian pasta made from durum semolina and water, shaped into tiny beads and toasted in the oven, giving it a nutty flavor and chewy texture. It's sometimes called Sardinian couscous however the toasting process makes it unique. This makes it both versatile and distinctive in Mediterranean cooking – ideal in soups, salads or saucy pasta dishes.

SCOTTI RISOTTO CARNAROLI

Since 1860, we have shared our passion for rice. Guided by this commitment, we created Buona Idea Risotto: authentic recipes from the Italian culinary tradition, made with Italian white rice and completely gluten-free, with no added preservatives, glutamate, or colourings.

We carefully select natural, high-quality dehydrated ingredients to give our risottos a genuine, rich flavour while preserving the recipe's nutritional and organoleptic qualities–so there is no need for flavour enhancers such as glutamate.

SCOTTI ARBORIO RICE

When cooked, the rounded grains are firm, creamy, and chewy compared to other rices due to their higher amylopectin starch content. It has a starchy taste and blends well with other flavours.

SCOTTI CARNAROLI RICE

Carnaroli is a medium-grained rice grown in the Pavia, Novara and Vercelli provinces of northern Italy. Carnaroli is used for making risotto, differing from the more common arborio rice due to its higher starch content and firmer texture, as well as having a longer grain.

REGINA MOLISANA DOUBLE CONCENTRATED TOMATO PASTE

From the sun-drenched fields of Italy, where tomatoes ripen under a Mediterranean sky, comes our culinary treasure — **double concentrated tomato paste. Twice the richness:** Unlike ordinary paste, this is a double reduction – meaning the tomatoes are simmered down not once, but twice, creates a dense, ruby-red elixir bursting with umami. A spoonful elevates all culinary sauces, stews, and marinades with a depth that's sultry and sophisticated. It's the secret behind that unforgettable ragu, silky vodka sauce, curries, and masala dishes.

CHOCOLATE TRUFFLE

Nougatine truffle cigar filled with cocoa paste and gianduja, covered with a double layer of milk and 56% dark chocolate. The filling is enriched with caramel grains reminiscent of the crunchy texture of the Nougat caramelized hazelnut.

DARK AROMATIC CHOCOLATE

Aromatic cocoa cigar; a soft filling of chocolate and hazelnut paste covered with 56% dark chocolate. The dark chocolate filling, softened with olive oil, PGI Piedmont hazelnut cream, and cocoa butter, has a particularly aromatic aroma due to the addition of cocoa from Papua New Guinea.

ORANGE CHOCOLATE

Orange chocolate cigar, filled with milk chocolate and cocoa paste, enriched with candied orange peel. The cigar is covered with a double layer of milk and 56% dark chocolate to preserve the aroma to the fullest.

CHE993PAR18-CA	6814	8053853990112	98053853990115	993 18 Month Parmigiano Reggiano	10	500 g

PARMIGIANO REGGIANO

- The dairy of 993 was born in 1929 in Cavola, a small village in the mountains of Reggio Emilia
- In these meadows, about 900 meters high, the fields were farmed with animal manure, avoiding chemical fertilizers and pesticides
- Our cows only feed on our 100% Mountain fodder, grown in our meadows. This results in a better, wholesome diet for our cows, which makes a high-quality milk that puts our Parmigiano cheese a notch above the rest.
- Our Parmigiano Reggiano reveals its character even after a short aging but grows more intense the longer it's aged.
