SCOTTI RISOTTO CARNAROLI

Since 1860 we have spread our passion for rice. From our commitment we created for you Buona Idea Risotto, real recipes from the Italian culinary tradition with no added preservatives, glutamate, colourings and with Italian white rice and gluten-free. We choose natural and high quality dehydrated ingredients to give to our Risottos a real flavour and keep unchanged the nutritional and organoleptic qualities of the recipe; so we don't need flavor enhancers such as glutamate.

CHOCOLATE TRUFFLE

Nougatine truffle cigar filled with cocoa paste and gianduja, covered with a double layer of milk and dark 56% chocolate. The filling is enriched with caramel grains reminiscent of the crunchy texture of the Nougat caramelized hazelnut.

DARK AROMATIC CHOCOLATE

PARMIGIANO REGGIANO

- The dairy of 993 was nprm om 1929 in Cavola, a small village in the mountains of Reggio Emilia
- In these meadows, about 900 meters high, we farm our fields with animal manure, avoiding chemical fertilizers and pesticides
- Our cows only feed on our 100% Mountain fodder, grown in our meadows. This result in a better, wholesome diet for our cows, which makes a high-quality milk that puts our Parmigiano cheese a notch above the rest.
- Our Parmigiano Reggiano reveals its character even after a short aging but grows more intense the longer it's ages.
